Scholarship Time Again!

Applications for the Five Hundred Dollar Harris Funeral Home Scholarships have been placed with the Guidance Counselor's office at Auburn High School, Beauregard High School, Loachapoka High School and Opelika High School.

Presented annually by Jeffery Harris since 1999, the scholarship program strives to recognize outstanding high school seniors in area schools. Harris Funeral Home realize the importance of giving back to our community. The scholarship is based on academic achievement, scholastic honors, work experience, community service, goals, and an essay response. Final selections will be made by the HFH Scholarship Selection Committee and will be announced in May 2019. To date over \$53,000 have been awarded to different area students.
